PROFILE

Motivated Computer Science graduate with a solid foundation in programming and software basics. Skilled in Python, SQL, htmt+css with experience in small projects. Passionate about learning new technologies and eager to contribute to software development teams.

PROFESSIONAL EXPERIENCE

Web developer Intern   01/2025 – 04/2025
- Completed a web development internship focused on building responsive and user-friendly websites.   Bengaluru
- Gained hands-on experiences with HTML, CSS and frameworks like JavaScript and React.js for frontend and python and framework like Django for backend and SQL for DBMS .

PROJECTS

Portfolio Website   2024
- A responsive portfolio website using HTML and CSS.
- This website designed to showcase skills, services, and contact details.
- This project serves as digital resume, helping recruiters and clients about your expertise in web development.

ATM Simulation System using Python   2025
- Implemented secure user authentication with username and pin.
- Enabled essential ATM operations including balance inquiry, cash withdrawal, deposit, and PIN change.
- Validated transactions with constraints like note denomination rules and insufficient balance checks.

Restaurant Website – *The Grill House*   2025
- Developed a responsive and user-friendly website for *The Grill House* restaurant, featuring a modern layout, interactive menu, and smooth navigation.
- Implemented HTML for structure, CSS for styling and responsiveness, and JavaScript for dynamic features such as image sliders, form validation, and interactive elements.
- Focused on user experience, cross-browser compatibility, and mobile-first design principles.

EDUCATION

Bachelor of Computer Application (BCA), *Garden city University*	2022 - 2025
Intermediate (commerce Economics and civics), *Mother Teresa Junior college*	2020 - 2022
SSC (Karnataka State Board), *Trinity English High School*	2019 - 2020

TECHNICAL SKILLS

Python	Html
Django	CSS
SQL	JavaScript
Microsoft Excel	Reat.js

DEVELOPER TOOLS

VS Code	My SQL
Jupyter Notebook	Excel Sheets

COURSES

Python for Beginners, *Simplilearn*

Introduction to SQL, *Simplilearn*

Web Development Fundamentals, *IBM*

CERTIFICATES

Introduction to cybersecurity Essentials by IBM	Web Development Fundamentals by IBM	Big Data and Machine Learning Fundamentals by Google Cloud
Ai for Everyone by Deeplearning.AI	Cloud Computing Applications By Illinois	Generative AI in user Research And Thinking by Fractal

DECLARATION

I here by declare that the particulars of the information and the facts stated above are true to the best of my knowledge.
